# Thank you for visiting us today

Please take a moment to read the following important health and safety information.

Please do:

- ensure children are supervised at all times and in all areas by a responsible adult (over 18 years of age)
- wash your hands after touching any animals, before eating and before leaving the centre. Please supervise young children during hand-washing.
- eat only in the designated areas (café, garden & patio, Play Park and indoor picnic area)

Pregnant women should avoid contact with sheep and goats.

Please do not:

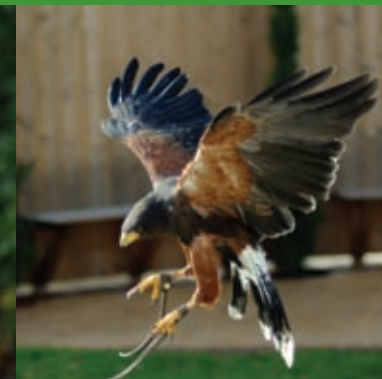

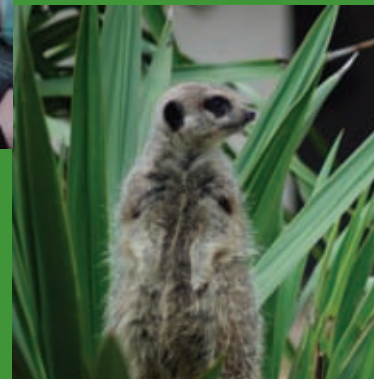

- put your fingers into animal cages
- frighten or chase animals
- hand-feed pigs
- touch terrapins
- touch animal droppings
- climb on walls or fences
- paddle in the ponds
- pick flowers or plants
- wander from marked footpaths
- allow children's mouths to come into contact with areas which might also be touched by animals
- kiss the animals
- run around the centre

Nettles can sting but are an important part of our ecosystem. Please beware of nettles in some areas.

**We hope your visit exceeds your expectations**
