

The background is a soft, light green watercolor wash. It is decorated with several tropical elements: a large green monstera leaf in the top left, a pink and blue butterfly in the top center, a purple butterfly in the top right, a pink butterfly in the middle left, a purple flower in the bottom left, and a large green monstera leaf in the bottom right.

What you can expect at The Tropical Butterfly House

Preparing for your visit

The Tropical Butterfly House is a Wildlife and Conservation Park. A place where you can see lots of animals and tropical butterflies.

When you visit us there are a lot of things too...

SEE

HEAR

TOUCH

SMELL

TASTE

SEE

You will arrive in our car park where the coaches and cars park.

On the way to the kiosk you will pass two of our owls.

You can walk round the park by sticking to the paths and following our Woodland Dinosaur trail.

On your way round you will see lots of our friendly animals and possibly some of our animal team who will share their best animal facts!

SEE

You will also see three of our main buildings, the farm barn, our **BRAND NEW** Butterfly House and our Bird House.

We also have our Camelot play park and splash zone for you to spend some time in.

Lookout for our signs around the park which will show you pictures and lots of words to read

HEAR

You might hear me roar on the
Dino Trail. Don't be scared, I'm
super friendly!

HEAR

You will hear many sounds around the park like our birds tweeting, our chickens clucking and tropical rainforest sounds in our Butterfly House.

HEAR

There will be lots of other people at the park so you may hear people or children talking, shouting or laughing.

And, most importantly, you will be able to listen to our friendly team do Animal talks.

TOUCH

When you step inside the Butterfly House one may land on your hand.

You might also touch concrete and steel frames and glass windows when peering into animal enclosures.

You can press interactive buttons around the park to find out facts.

And, if you play in our park you may like to have fun in the sand pit.

SMELL

When you get close to our eateries you will smell the delicious options we have for you to eat.

When walking through our woodland trail you might smell our fresh flowers and wonderful old oak trees.

You might also smell some of our animals!

TASTE

We have two eateries here at The Tropical Butterfly House.

Lotties Coffee Lounge (located in our car park)

or

The Butterfly Cafe (located next to our Camelot play park)

You might taste some of our wonderful sandwiches or children's picnic boxes (And, if your guardian lets you, maybe even a sweet treat like an ice cream!)

Have a wonderful time!
